# FOR SMART MULTISERVICE SOLUTIONS, GO STRAIGHT TO THE SOURCE

**Safway Group**  
One Complete Source for Access,  
Insulation and Coatings

**All you have to do is make one call, and we'll do the rest.  
With Safway Group's multiservice solutions, you'll always  
get the job done THE SMART WAY®.**

When we all work together, efficiency increases – on every level. Safway has brought together the most trusted names in multiservices to ensure better communication and higher performance. Through **SMART Safety, Planning, Processes, Innovation** and **Expertise**, our people come up with ideas every day – THE SMART WAY – by collaborating and sharing knowledge and resources. It's who we are. It's how we work. The result? Safe, productive, quality work, the lowest total installed cost – and the best overall life cycle cost.

**“As usually occurs during our shutdowns, (Safway) had a lot of work to perform in a short period of time, and they were able to perform beyond expectations without incident. We look forward to working with your team in the future.”**

**- Diavik Diamond Mines Inc.**

## **ACCESS**

Through our extensive branch network, with more than 115 locations in the U.S. and Canada, and a growing system of distributors worldwide, Safway delivers high-performance scaffolding and access solutions for commercial construction, industrial and infrastructure applications – THE SMART WAY.

As an industry leader since 1936, we provide sales, rental, expertise and skilled labor for projects of any size and scope. With one of the largest in-house engineering departments, an exclusive project management system,

award-winning safety excellence and a full line of access products, we design and implement innovative, high-quality access solutions at the lowest installed cost.

### **Access products and services include:**

- Systems™ Scaffold
- Shoring Systems
- Supported Scaffold
